Dear Sir/Madam

M1 northbound resurfacing work between junctions 22 and 23.

I am writing to let you know that we are planning to carry out resurfacing work on the M1 between junctions 22 and 23.

When will this work take place?

The work will take place from **Monday, 18 February 2019 for 4 weeks.**

However, please note that all our planned roadworks are subject to change due to weather conditions or unforeseen circumstances.

How will it affect traffic?

To deliver this work as quickly as possible, so minimising inconvenience and disruption to the travelling public, we will:

- work overnight from **10pm to 5am, Monday to Friday**
- work over the weekend from **10pm to 5am, on Saturday and Sunday**

To maintain a safe environment for our workforce and customers, we will need to implement a 50mph speed restriction, use a mixture of lane and full closures at night and day time lane restrictions over the weekend. While the northbound carriageway is closed overnight we will put in place fully signed diversion routes, which we have agreed with Local Authorities.

We apologise for any disruption this may cause you. We will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.
